SERVICE GUIDE

Not Sure Which Way to Shop?

Tokoteknologi Shop has **3 ways to shop** — each designed for different needs. Get to know the differences here, so you can pick the way that truly fits you, not just whichever one you see first.

R

Regular

PHYSICAL GOODS, DELIVERED

Regular physical products from thousands of sellers — checkout, pay, and get it delivered to your address.

BEST IF

- You need a physical item you can hold & try
- You want a fixed price upfront, just checkout
- You don't mind waiting for delivery

HOW IT WORKS

- Pick a product, add it to your cart
- Checkout & pay (many methods available)
- Track the delivery status until it arrives

D

Digital

INSTANT DOWNLOAD, NO SHIPPING FEE

Digital products (files/licenses/software, etc.) — pay and download instantly, no waiting for a courier.

BEST IF

- You want to use/download it right away, no waiting
- You don't need a physical item at all
- You want zero shipping cost

HOW IT WORKS

- Pick a digital product, checkout & pay
- The file is available to download instantly
- You keep access to the file forever

A

Auction

BID, WIN, GET THE BEST PRICE

Join a product auction — place your bid, and whoever is highest when time runs out gets to buy it.

BEST IF

- You enjoy bidding and hunting for the best price
- You're not in a rush, you can wait for the auction to close
- You're ready to compete with other bidders

HOW IT WORKS

- Place a bid, higher than the previous one
- Watch until the auction time ends
- If yours is the highest bid, checkout yourself as the winner
